Hi,

Yes, our homeless outreach facilitator, PATH, has the fee waiver forms and has completed them, as well as the DL 44 ID card forms.

Thanks,
Aaron

I will check. As PATH (People Assisting the Homeless) is a homeless facilitator and already has the waiver form, I believe they are taking care of that portion as well. I will let you know by Friday 4/22 as I am off tomorrow 4/21

Thanks for the response.

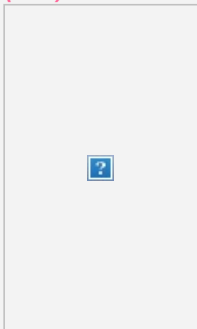

Biondo

Good afternoon-

Have you been able to acquire the No Fee Identification Card Eligibility Verification Forms (DL 933)?

Hello Ma'am. Thank you for all of your patience and assistance in this matter. We have assisted 7 homeless individuals with filling out form DL 44. To that end we are ready for the next step. Is 4/27/16 still a good date to bring them to the Exposition BI location If so, what time.

Again, thank you

Officer Biondo

Good afternoon-

The application for Identification Card is DL 44 and unfortunately it cannot be downloaded. It can be acquired at any local field office. Please notify me of the number of individuals as soon as possible in order to allow our office adequate time to prepare. Thank you.

Ma'am:

thank you for your response. We are still calculating the number of individuals. What is the form number for the ID replacement application and can it be downloaded from the DMV website?

Regards,

Officer Biondo

Good afternoon-

As previously discussed DMV would be pleased to assist with this endeavor on Wednesday mornings between 8:00 am - 8:45 am. Please indicate how many applicants will be in attendance on April 20th and 27th and we will assess our staffing to determine if we are able to accommodate your request. Thank you.

Subject: Tentative Date for Homeless Outreach

Ms. Martin-Granberry:

I hope all is well. I am Senior Lead Officer John Biondo of the LAPD. Currently I am assigned to Southwest Area. In January I believe myself as well as other members of your department and Sgt II MsGuyre (also of LAPD), began conversations regarding homeless outreach as it related to replacing the lost California Identification Cards of some of the homeless encamped under the 110 FWY on Flower Street between Grand Ave and Flower St.

At that time, if I recall, it was presented that if all of the appropriate paperwork was completed (applications as well as fee waivers,) the DMV would extend themselves and offer to process the paperwork for all of the individuals we identified at one time, either before the facility opened or when it was closed for lunch. I am hoping that you and the DMV are still able to provide this important service. I was looking at a date of April 18, 19 or 20th or April 25th, 26th or 27th. I am interested in doing on any of the aforementioned dates as I am working toward having a homeless outreach day on April 29th and would like the individuals to have some paperwork to assist them with becoming permanently housed. Please feel free to contact me should you have any questions or concerns.

Thank you for your time and assistance

Regards,

Officer John Biondo
